Morning Session 9.30am - 11.30am
Evening Session 5.00pm - 6.30pm

Applications close
Friday 4th April 2014
Dear Parents and Friends of Mt St Patrick College,

In the last couple of weeks, the College has had two opportunities to reflect on the qualities that make Mt St Patrick College such a special place. The first was Catholic Schools Week, celebrated by more than 600 Catholic schools in NSW and the ACT, last week. The other was St Patrick’s Day, the feast of our patron, which was celebrated on Monday 17th March.

The theme of this year’s Catholic Schools Week was ‘more than a quality education.’ At our College Assembly on Tuesday 11th March, a number of areas were highlighted that demonstrate that Mt St Patrick does offer a quality education and much more. Mt St Patrick College offers:

- a particular way of living based on the teachings of Christ
- a unique history that is proudly embraced through the traditions and customs we practice
- an understanding of our Presentation heritage and the connection Nano Nagle and the sisters have with social justice issues
- a spirit that is active, inclusive and evident in our House structure. The four Houses have been part of College life for 51 years
- an environment that is safe, where respect and responsibility guide all interactions. Our College theme for 2014 is ‘what I do, matters’
- a community where students feel comfortable and are able to participate in any activities irrespective of their skill level without comment or criticism
- high standards in all aspects of College life both in and outside the classroom
- a sense of belonging and a reason to be proud of being associated with Mt St Patrick College

On Monday 17th March, the College held its first St Patrick’s Day liturgy in the Gilbey Multipurpose Centre. The celebration focused on the life of St Patrick and the many blessings the College has received in its 88 year history. The Year 12 Student Representative Councillors led the liturgy supported by councillor from Year 11. Tradition played a part with two songs, Be Thou My Vision and Hail Glorious St Patrick, sung in customary, Mt St Patrick College, fashion.

The first St Patrick’s Day liturgy in the Gilbey Multipurpose Centre was an ideal time to explain the symbolism behind the images of St Patrick which feature in a magnificent display in the foyer of the building. The three pairs of photos represent three stages in St Patrick’s life: his slavery in Ireland; his call to return to Ireland and his missionary work in Ireland. Quotes from St Patrick’s letter, the Confession, surround the images.

**Wall of Excellence**

During the St Patrick’s Day liturgy, four students were inducted to the Wall of Excellence. Induction happens only once a year on St Patrick’s Day. The Wall dates back to our first Year 12 class of 1993 and since then a total of 32 students or groups of students have been inducted for excellence in sport, academic or cultural pursuits. Among the inductees are the Australian Tournament of Minds Champions; NSW Combined Catholic Colleges’ Athletics and Debating State Champions; HSC students who received an ATAR over 99.0; were placed second in the State in HSC subjects; were selected to perform in OnSTAGE or have their major work for Visual Arts selected for exhibition in ArtEXPRESS. This year’s inductees were in the areas of sport and academic performance.

Congratulations to the following students on their Induction to the Wall of Excellence:

**Eliza Miller**  
2013 HSC  
Selected in ArtEXPRESS  
An Exhibition of Exemplary Artworks in Visual Arts

**Jordan Short**  
2013 HSC  
Selected in InTECH  
An Exhibition of Outstanding Major Works in Industrial Technology

**Kate Wilson**  
2013 NSW Combined Catholic Colleges’ Open Multiclass  
50 and 100 Metres Freestyle Champion
2013 Australian All Schools Open Multiclass 4 X 50 Metres
Medley Relay Champion

Sarah Champley
2011 NSW Combined Catholic Colleges’
15 Years 800 Metres Champion

Compliance Audit
The College will undergo a Compliance Audit on Friday 28th March, 2014. A panel of seven will spend the day looking through our documentation to ensure the College is following all legislative requirements. The review is part of a process to determine if the College remains registered as a school and is therefore eligible to operate and receive funding. It has been a major task completing the documentation provided by the panel in time for the review. I am sure the review will be very successful.

Open Day
Parents and friends of the College are invited to attend the Mt St Patrick College Open Day, tomorrow, Thursday 20th March, 2014 from 9.30 to 11.30am and from 5.00 to 6.30pm. The morning session will follow the usual day’s timetable with visitors able to observe a typical school day at Mt St Patrick College. Why not visit your son or daughter’s class for a few minutes and gain some understanding of their life in the classroom? In the morning session only, Tour Guides will accompany visitors on an extensive tour of our facilities. They will provide an explanation of some of the main features of the College and answer any questions that may arise.

The evening session is activity-based with displays, Choir and Band performances, Science experiments, PDHPE activities, Art and TAS workshops, powerpoint presentations and much more. There is something for everyone! The night is a wonderful opportunity for parents and members of the public to see the many exciting things that are happening at Mt St Patrick College. Come along and bring a friend. I am sure you will be most impressed by what you see.

Enrolments 2015
Enrolment Packages for Year 7, 2015 are now available from the College Office. The closing date for receipt of Enrolment Application Forms for students wishing to enter Years 7 or 11 in 2015 is Friday 4th April, 2014. All paperwork must be competed and submitted with the Enrolment Application Form. Failure to submit the necessary paperwork will mean the enrolment will not proceed. Applications received after the closing date will not be processed.

2015 Enrolment Packages have been issued to Year 6 students at Mt St Patrick Primary School, St Joseph’s Primary School, South Murwillumbah and St John’s Primary School, Mullumbimby.

Year 12 Exams
Year 12 Half Yearly Examinations commence on Thursday 3rd April and will conclude on Thursday 10th April. The results of these exams contribute significantly to the school-based assessment for the Higher School Certificate. We wish Year 12 every success with their exams.

Staff Professional Development Days
Parents are advised of the dates of two Staff Professional Development Days:
Term 1 Friday 11th April, 2014 – the last day of Term 1
Term 2 Monday 28th April, 2014 – the first day of Term 2
Students are not required to attend the College on these days.

In Hoc Signo Spes Mea

Tony Daly
Principal
FROM THE ASSISTANT PRINCIPAL

YEAR 12 EXAMS
These mid-course examinations will commence on Thursday 3rd April, and will run until the final day of Term 1, April 10th. During this period Year 12 students need only attend school for their examinations, but must wear full dress or sports uniform. Study Rooms have been allocated at the College for every lesson of every day of the exam period for students to utilize, if needed.

Mary-Anne McShane
Assistant Principal

FROM THE LEADERS OF WELLBEING

LISIEUX
Greetings everyone. As you would have read in previous Newsletters, Lisieux have had a tremendous start to 2014. Not only did we win the Champion House trophy for 2013, but our wonderful students managed to hang on and win the annual Monsignor Michael Quinn Memorial trophy. What a fantastic achievement. Congratulations to all who participated in events at the carnival and to those who helped Mr Whitney.

Further to these achievements, our first two College Award winners for 2014 were announced at the College Assembly on Tuesday 11th March. Congratulations to Haydn Campbell (Yr 10) and Sam Felton (Yr 9). A number of other students are well on their way to achieving this award. Keep up the great work Lisieux!

Project Compassion, organised by Caritas, is supported during Lent every year by the College. Already, Lisieux students have been donating generously. Thank you for supporting this most worthwhile initiative.

Uniform (both dress and sport) has continued to be of a high standard. Thank you parents for your support, and students for wearing your uniform with pride. Should the correct uniform, or items of uniform be unavailable on any day, parents please write a note of explanation, dated and signed by you.

Open Day/Night being held this Thursday 20th March is an opportunity to visit the College to see the wonderful array of activities offered. A great number of Lisieux students are involved in activities, so please feel free to come along.

Margaret Baldini
Leader of Wellbeing – Lisieux

RE NEWS

YEAR 10 RETREAT
The clouds parted and the bus rolled into Bornhoffen, our silver lining! Loaded like sherpas, we dashed for cover from the torrential rain and harsh wind. After unpacking, we crawled around blindfolded making animal noises until we found our herd. In these groups we peeled back our layers, like an onion, and bonded. Within the supportive environment of these small groups we confided in one another, sharing information about our relationships, challenging ourselves to dig deep. We were confronted with our mistakes and given the opportunity to right our wrongs.

Other highlights included time to reflect and find inner peace, free time which allowed us to connect and spend time with our peers and indulge in delicious food. We had the opportunity to affirm and expand friendships and give thanks for those close to us in life.

We are especially grateful for the teachers who accompanied us on the retreat and gave up their precious time to make this retreat the eye-opening, positive, spiritual experience it was. We all hope we can be inspired by this retreat and build our relationships with each other and our teachers beyond Bornhoffen.

Year 10 Retreat Comments
- the experience is priceless
- indescribable and wouldn’t have predicted some of the things that happened
- an eye-opening, life-changing experience
- the best 3 days of my life
- wonderful eye opening experience
- so fantastic and super fun
- a growing experience

YEAR 12 RETREAT
From Wednesday 5th to Friday 7th March, Year 12 went to Bornhoffen PCYC for a spiritual retreat. This retreat was a reflective and emotional experience for each person involved. Numerous activities helped us connect with ourselves and each other in ways that we had possibly not imagined before. This experience has made us more of a community and less of a year group comprised of unique individuals. Many moving activities broke down people only to be brought up by their peers. Many layers were removed (quite literally in some cases). Tears were shed and hugs were shared. The motto for the retreat was ‘Let your inner self grow strong’ which was thoroughly explored within and throughout the retreat. The semi-formal dinner was one of the highlights of the retreat, with everyone shining in old pre-loved clothing, and many memorable moments were shared and enjoyed by all.

“The retreat was an overall success in bringing the year group together from separate beings to one whole.” – Victoria Kester

“All the previous troubles that have happened with the year group were solved, and everyone bonded on a level we didn’t quite think was possible” – Ziggi Jacks

“I believe that everyone came together in the spirit of community. That old wounds were healed and the memories and bonds that we created will be something we will carry with us for the rest of our life.” – Brady Molloy

“The retreat brought out so many hidden traits in people which really strengthened our overall connection as a group and community as a whole.” – Joe Camilleri

“I thought the retreat was going to be boring to begin with, but as the time went on it was a really connective experience and I believe everyone became accepted in some way. It brought our year closer together” – Indianna Mulders

Overall, the retreat greatly enhanced Year 12’s connection as a group and a team. Everyone was enlightened and felt a deeper bond to every other member of our tight community. It will always be one of the best memories of our lives, and we will continue to cherish the values and connections we made at our retreat.

Year 12 Retreat Comments
- the deep heart connection between all students allowed a space for great personal development
− perfect … I couldn’t imagine the happiness it has brought to our year.
− you haven’t felt pure happiness until you’ve had the experience of going on Year 12 Retreat
− a priceless experience
− … provides a sense of direction for the future
− one of the best experiences I have had in my life
− given me a new perspective on life, family and trials
− a real eye opener and really opened up my perspective

5th Week of Lent (School week beginning 7th April)
Project Compassion, Week 5, brings you the story of Lorraine.

When Lorraine, from Aboriginal Australia, learnt that she would have to move 550km away to receive vital dialysis treatment, she was heartbroken to be separated from her mob and culture. The Purple House is providing her with a home away from home. An income-generating bush balm program is helping her reconnect with culture and community.

Your donation to Project Compassion helps Lorraine, and other First Australians, retain their dignity and connection to culture during difficult times. www.caritas.org.au

Photo: Simon Hewson

6th Week of Lent (School week beginning 14th April)
Project Compassion, Week 6, brings you the story of Nirangini.

After moving 11 times during the civil war, Nirangini is now re-establishing her life back in her childhood village in Sri Lanka, thanks to a permanent home and participation in an income-generating program.

Your donation to Project Compassion allows Caritas Australia to continue aid and development work reflective of the life of Jesus Christ, in over 30 countries. www.caritas.org.au

LEARNING SUPPORT
INDIGENOUS EDUCATION
Ms Colleen Poudal, a descendant of the Yaegl and Wiradjuri People has recently been appointed as our Indigenous Education Assistant.

She is providing learning support to indigenous students, working out of the Learning Support Centre with teachers and the College Support Staff.

Colleen will be meeting with all indigenous students, parents and caregivers over the coming weeks and working together to assist students in their learning. The prime focus this year for Indigenous Education is developing community partnerships and the establishment of Personal Learning Plans for each Year 7-10 student. These are designed to facilitate learning, progress at school and, ultimately, transition to work and/or further education.

Parents, caregivers and students please feel free to contact Colleen with any concern or just to have a yarn.

Monday and Wednesday 8:45am to 3:15pm
Phone: 02 6672 2340
Email: cpoudal@lism.catholic.edu.au

HELPING IN THE LEARNING SUPPORT CENTRE

Often parents ask about how they can be involved with the College, and the answer is that they can be active in the Parents’ and Friends’ Association; they can be rostered to assist in the canteen, and/or be a driver for our Meals on Wheels rostered week.

In May there is another opportunity when the Learning Support Centre needs community help to provide readers and writers for eligible students doing examinations. These provisions support students who have reading and writing difficulties and allow them to better be able to show what they have learned.

The examinations for Grades 7, 8, 9, 10 and 11 start on May 27th and finish on June 2nd. If you are able to offer help during this time, and/or refer our request to your family and friends we will be most appreciative.

For further information contact Mrs Kathryn Cristini or Mrs Carolyn King at the College 66722340, or email kcristini@lism.catholic.edu.au

Michael O’Donohue
Leader of Evangelisation

MATHEMATICS NEWS

All the Mathematics teachers would like to congratulate those students who have been taking advantage of the lunchtime tutoring on Thursdays in F31. Last Thursday we had to extend into the next room as we had 39 students… an excellent number. Students are welcome to come for assistance for the whole of lunchtime, bringing their lunch with them, or only stay for the time they need. Either way, we are sure that students who make the effort will feel more confident with their Mathematical skills over the long term.
As everyone is approaching their first assessment task in Mathematics, it is a good time to remind all students to bring their maths equipment to the tasks (and classes)! **Especially a calculator!** Year 7 will not use a calculator in their assessment tasks this year, but are required to have one with them for lessons and Naplan. As Naplan approaches we will be ensuring that the Year 7’s have adequate skills for the calculator section of the Naplan examination.

After extremely successful results in the 2013 Australian Mathematics Competition, we are asking that all Accelerated Mathematics students in Years 7-10 participate again this year. The date for the competition is Thursday 7th August. The entry fee this year is $6.00 and students may begin making payment to the office as soon as is convenient. Year 7’s will be graded in the final week of this term so we will know then who will be placed into the Accelerated class. Any other student in the school is most welcome to participate as well as the question are very different to regular Maths exams. It is possible for anyone to be successful!

Sue Hoy
Leader of Learning, Mathematics

---

**SCIENCE NEWS**

**11 BIOLOGY / SENIOR SCIENCE FIELD TRIP TO HASTINGS POINT**

On February 11th two Year 11 Biology classes and a Senior Science class set out to the rocky platform at Hastings Point. This was part of their Local Ecosystem Topic where the students were required to complete hands-on population estimates and species distributions for various plants and animals. The day began at the Marine Museum and Resource Centre where the students learnt about various adaptations of marine and rocky shore organisms, followed by two field activities. The field activities included quadrant sampling across the three tidal zones at the rock platform and conducting plant distribution transects in the sand dunes. There was plenty to be seen in the rock pools including Periwinkles, Feather Stars, Sea Cucumbers, White Tube Worms, Sea Anemones and Sea Squirts. The heat and sand did not dampen spirits and it was an enjoyable day was had by all.

Marilyne De Maere
Science Teacher

---

**FROM THE SPORTS DESK**

**DIOCESAN SWIMMING**

Congratulations to all the students who participated in the Diocesan Swimming Carnival March 6th at Banora Point in hot and sunny conditions. The two new College shade tents were on display and looked great. To succeed at this level is extremely difficult with only the winner of each event eligible to proceed to the NSW CCC Carnival to be held in Sydney. An outstanding second place can also be considered.

Mt St Patrick College had a number of age champions and runners up. Age champions were U13 girls Anthea Warne, 16 and over multiclass Kate Wilson, U16 boys Jacob McRae and Open boys Nicholas Myler. Runners up were U13 girls Madeleine Northeast and Open boys Ben Felton.
The girls 13-14 4x50m freestyle relay team of Cecilia Ryan, Anthea Warne, Chloe Jones and Madelene Northeast easily won there relay and are also through to Sydney.

Outstanding performances, and new Diocesan records, were posted by Nick Myler in both the 100m and 200m freestyle and Jacob McRae in the 100m fly.

A thankyou to the parents who attended the carnival and the excellent behaviour and participation of all the MSPC students.

NSW ALL SCHOOLS TRIATHLON

Once again, Jack Orr from Year 9 has excelled at the NSW All Schools Triathlon event held at Penrith on March 7th. Jack travelled across the state the day before and blew the cobwebs out with a short training session the day prior to the event to ensure he was fresh for the next day.

Jack, competing in the Intermediate boy’s solo division, lined up with 98 fellow triathlon enthusiasts.

Jack performed very well. Finishing in the top 10 in 9th place overall and was the second Catholic Schools competitor home in his division (See his results at the end of this Newsletter). A full list of results can be found at the following link: http://www.multisportaustralia.com.au/Home/QuickResults?clientID=1&raceId=1007&raceName=NSW%20Combined%20High%20Schools%20Triathlon

Mt St Patrick College Newsletter  Page 7  19/03/2014
DIOCESAN WINTER SPORTS TRIALS

We are hoping to hear very soon about the teams selected at the trials for winter sports teams held on 18th March at Woodlawn. Any success will be reported in the next newsletter.

TERM 2 ELECTIVE SPORTS FOR YEARS 10 & 11

Term 2 will see students in Years 10 and 11 select sports options online to participate in during Term 2. Term 2 is a nine week term where week one will be our Cross Country Carnival. This means there will be only 8 weeks of elective sports. Please keep this in mind when selecting your sports options as some selections, but not all, have weekly financial commitments. Rowing for an example is $7 per week but we ask that the full amount be paid prior to Term 2 starting ($56). Students are asked to discuss their choices with their parent or guardian prior to submitting their selection.

The choices and costs are as follows:

- Ten Pin Bowling: $12 per week, $96 total
- Rowing: $7, $56 (paid in full prior to term 2)
- Lawn Bowls: $5, $40
- Free Weights: $5, $40
- Tennis: $2, $16
- Yoga and meditation (Free)
- Fitness Rm (Yr. 11 only): Free
- Power Walking: Free
- School Sport: Free

The online selection process will open at 8.45am on the morning of Monday 31st March and it will close at 10pm on Wednesday 2nd April. Years 10 and 11 students are asked to make their selection between these times. Any student who does not make a selection will be allocated School Sport.

NORTHERN NSW CCC GOLF

Lucas Higgins of Year 10 travelled to Tuncurry Golf Club over the weekend to compete in the NSW CCC Northern Golf Tournament. Lucas, playing off a handicap of 0, played well on the treacherous course. Hitting the ball well from tee to green, Lucas’ front nine saw him fighting his putter but he managed to iron out some of the “yips” to finish strongly with three birdies in the last 5 holes to claim a win. Lucas will now travel to Blackheath to compete in the NSW CCC Golf Championships and Match Play Tournament where he could qualify for the NSW Team to play in the School Sport Australia Championships. Good luck Lucas!

NSWCCC GOLF NORTHERN TRIALS 2014 TUNCURRY GOLF CLUB

Tuncurry Golf Club was the venue for the 2014 Northern Golf Trials for students from Catholic and Independent schools. Tuncurry Golf Club is nestled in behind the sand dunes at Tuncurry and rated in the top 100 public access courses in Australia. The week prior to the trials, Tuncurry played host to the NSW Seniors Championships so it was in perfect condition for the schools golf trials.

Boys gross winner on the day was Lucas Higgins from Mt St Patrick’s College Murwillumbah with a solid round of 74. Lucas survived a 3 way countdown to win from Hunter valley student Ben Stokes from St Catherine’s Singleton who also fired a two over 74, along with John Paul College’s Jack Pountney who also shot 74. Fourth place went to John Paul College Coff’s Harbour’s Jack Hickey with a fine score of 77 on the testing Tuncurry layout.

Under 15 boys winner was Corey Lamb – All Saints Lochinvar with 86. Runner up from St Paul’s Port Macquarie was Lachlan Richards.

Recent rain insured the tight Tuncurry layout would play to its full length with thick rough and little run to help the shorter hitters. In the girl’s divisions Lily Baker from Port Macquarie and new recruit Chloe Pearce from St. Francis Xavier College Hamilton fired 87’s with Lily winning the 15yrs and under event whilst Chloe took out the opens with Annika Boyd placing 2nd in the junior division.

A huge thank you to the staff at Tuncurry, particularly Noeline Lumley in the Pro shop. The local veterans did an amazing job running a BBQ for all the players feeding them after their first 9 holes.

Club president Doug made it all possible and the local members are keen to have the event return in 2015. CCC is very grateful to all those associated with the hosting of the tournament which reduces travel and associated costs for students in the north of the state.

TWEED VALLEY TRIALS and ONLINE SPORT SELECTIONS

The Tweed Valley Competition is held in Term 3 this year. For the remaining 3 weeks of Term 1 sport, students will be trialling for teams in that competition. Each week they will go to the assigned venue and play a series of games to make teams. These teams will be recorded and when Term 3 rolls around the teams will train for 2 weeks before the competition starts.

This year in a change from the 2013 format, Year 11 students are once again allowed to play in the competition. Students from Year 11 are asked that if they do not make a team to nominate for a managerial position in one of our 40 teams entered. There should be no Year 11 student not playing or assisting with a team.
Students from Years 7 – 11 have been asked to select their chosen team online by following the directions below. The selection process will finish on Friday 21st March at 4pm. Students have been asked to complete this process at school during the week. They will be informed as to the venues of the trials (all within walking distance from the College) next Monday.

Online selection process:
I) Log on to the College Moodle site
II) Click the link (red) to Sport Selection
III) Click 2014 Tweed Valley
IV) Enter your user name and password
V) Click and drag 1 sport from the choices available to the box on the left hand side
VI) Click submit and your selection is completed.

SURF LIFE SAVING
Over the past two weekends, students from our College have been representing their various clubs at both NSW and QLD Junior and Senior Surf Life Saving State Championships. Those regular readers of this section will realise the genuine depth of talent at our College. We are currently the Diocesan Champions in SLS for the past two years and I would go so far as to say we could hold this title for quite some time to come. Congratulations to all the legends of the surf who have won medals at these titles or have competed to the best of their ability, well done.

Tim Whitney
Sports Co-ordinator

HSIE NEWS
AUSTRALASIAN GEOGRAPHY COMPETITION
Entries for this prestigious competition are now open. Please pay $3 at the front office, and see your local Geography teacher for details and past papers. Categories are Junior (13 and under at August 31, 2014), Intermediate (14 – 15) and Senior. The competition will be run on Wednesday 2nd April. Good luck!

Debutante Ball

The 2014 Debutante Ball is on Friday 9th May.

The Parents & Friends are requesting:
Expressions of interest to run the 2015 Debutante Ball.

This year we have 21 Year 11 girls from our College making their Debut, together with their partners. The P & F has been hosting the Debutante Ball at the Sacred Heart Parish Hall for 30 years. Hundreds of girls and boys have been fortunate enough to be a part of a Debutante Ball at the Sacred Heart Parish Hall.

This experience involves learning a number of dances, most importantly the Pride of Erin, where they are presented to local dignitaries as well as family and friends.

You may think this is an old fashioned event – well yes it is in a way. However it does have relevance still in our modern life. Today’s young people are often urged to be “all rounders”. To achieve this they need to acquire some useful social skills along the way. The eight weeks leading up to the Ball are full of these opportunities. Formal Dancing is a skill for life. It can be useful for weddings and business functions or just something that you had fun learning. The dance lessons are a great place for Year 11 students to enjoy each other’s company with experienced volunteer dance instructors and supervisors.

If this sounds like something you would like your daughter or son to experience, then please make yourself available to assist at the Debutante Ball. Some of our long-term dedicated band of helpers want to step back from the organisation and enjoy a well-deserved break. If we don’t have some helpers volunteer to step into their shoes, then there is every possibility that the Debutante Ball may not be run in future years.

This year we would only expect anyone that was interested to come along and see how the Committee works. This would be a fun experience for a group of parents to become involved with school fundraising. The Debutante Ball is the major fundraiser for the P & F Association. All money raised is donated to the College.

The Mt St Patrick Parents & Friends Association needs more parents to attend meetings and assist with fundraising. Meetings are held on Monday nights at 6.30pm on Weeks 3 and 7 of each term. The meetings are in the College staffroom. We try to keep the meetings short but useful. All welcome.

If you are interested or need more information please contact me
