Dear Parents and Friends of Mt St Patrick College,

School Review and Development 2014

Schools in the Lismore Diocese undergo a process of School Review and Development every five years. This year Mt St Patrick College is one of a group of schools participating in the process. The last Review occurred in 2009 and resulted in our current 2010 to 2014 Strategic Intent Statement, our goals for that cycle. As the five year cycle is drawing to a close, planning for the next five years is about to begin. Parents are a valuable resource in the Review process and so we seek your assistance to help develop a plan for the next five years.

The process of School Review and Development at Mt St Patrick College will assess and respond to the needs identified in the following areas:
   a) the effectiveness of the College as a Catholic School Community;
   b) the quality of teaching and learning at Mt St Patrick;
   c) the standard and practice of Pastoral Care at the College and
   d) the organisation and administration of the College.

The results of the review will be collated and then specific plans developed to address the needs identified. Our effectiveness in addressing these needs will be assessed year by year until the next cycle of School Review and Development begins in five years time.

All members of the College community are invited to participate in our renewal process via an online survey. The success of the process will depend on the level of participation by parents, students and staff.

The Review is an opportunity for members of the school community to comment on the effectiveness of the College and to influence its future direction. I invite all parents to complete the online survey emailed today, Thursday 15th May, 2014. The survey will remain open until 9.00am on Tuesday 20th May. It is an anonymous survey but parents are welcome to provide their name if they so desire. Staff and students have already completed the survey. We feel confident that the comments, perceptions and insights of parents, staff and students will be a valuable resource for the future development of Mt St Patrick College.

Thank you in anticipation of your support as together we work to enhance the College’s capacity to achieve its Mission. Mt St Patrick College has achieved a great deal since the last School Review and Strategic Plan. We look forward with confidence to the challenge of the next cycle of review. The College provides a quality Catholic education of which we all should feel proud.

Staff began working on the School Review and Development process on the first day of this term and will continue working through the process on the Staff Development Day planned for Friday 6th June.

Staff Professional Development Days – Second Notice

Mt St Patrick College staff will participate in a Staff Professional Development Day on Friday 6th June, 2014. Students are not required to attend the College on this day.
**Year 11 2015**

Year 10 students who wish to commence Year 11, 2015 at Mt St Patrick College, were required to submit a Senior Enrolment Application Form by Friday 4th April, 2014. As this date is now passed and there still could be a number of students who still wish to enrol, please ensure the Enrolment Form is returned by Friday 23rd May, 2014. Demand for enrolment is high and students who fail to lodge an Enrolment Form by the due date could miss out on a place in Year 11, 2015 at Mt St Patrick College.

The exact enrolment number for Year 11, 2015 is required for planning purposes including the employment of staff and determining the number of subjects offered in Year 11. It will be assumed that students who have not submitted an Enrolment Form by this new deadline will not be returning to the College in 2015.

**Mt St Patrick College Parents’ and Friends’ Ball**

The 35th Annual Mt St Patrick College Parents’ and Friends’ Debutante Ball was held on Friday night 9th May, 2014 in the Catholic Hall, Murwillumbah. Twenty three Year 11 Mt St Patrick College girls made their debut accompanied by many of our Year 11 boys. I thank Ms Barbara Grant, the Mt St Patrick College Parents’ and Friends’ Association and the many volunteers who assisted to make the evening a success.

**Semester 1 Exams**

The Half Yearly Examination Week will commence on Tuesday 27th May for Years 7, 8, 9, 10 and 11 and end on Monday 2nd June. Year 7 – 10 students are required to attend school for the whole day during the examination period and are not permitted to leave the school during the day or at the completion of an examination. Sport is compulsory for all students on Tuesday 27th May. Students should be working hard in preparation for these exams.

Students must attend school during the Examination Week. If a student is sick on the day of an exam, parents are asked to please ‘phone the College before 9.00am to avoid the student being unnecessarily penalised. Students in Years 10 and 11 are required to obtain a Doctor’s Certificate to explain their absence. Students who are absent without a satisfactory explanation, as deemed by the College, will receive zero marks.

**Fees Due - 13th June, 2014**

The second payment of school fees is due on Friday 13th June, 2014. Fee statements were posted last week. It would greatly assist the College if fees are paid by the due date please. Parents who require an extension on this due date must contact the Principal. Thank you in anticipation of your support in this matter.

**State Champion**

Anthea Warne of Year 7 has achieved remarkable success in swimming this year. She broke five records and won the title of 13 years Age Champion at the Mt St Patrick College Inter-House Carnival. She was Age Champion at the Lismore Diocesan Carnival winning five events. On the 29th April, Anthea represented the College and the Diocese at the NSW Combined Catholic Colleges’ Swimming Championship at Homebush where she won two gold and two silver medals. The gold medal events were won in record time with Anthea claiming the title of the Best Swimmer in Catholic Schools in NSW in both the 13 Years 50 metres Butterfly and the 13 Years 100 metres Freestyle events. Last week, Anthea competed in the NSW All Schools’ Swimming Championships where she won the 13 Years 100 metres Freestyle. Anthea is the best swimmer in NSW in this event. Congratulations to Anthea on her outstanding success.

**Congratulations**

Congratulations to the Boys Bill Turner Cup Soccer team who defeated Lindisfarne Anglican Grammar School 3 – 1 on Friday 9th May in the second round of the Competition.

Congratulations to Thomas O’Keefe (Year 9), Arnold Walsh (Year 11), Nicholas Burns and Cody Hemmings (Year 12) on their selection in the Lismore Diocesan Touch Football Team to compete in Wagga next month.
Congratulations to Chloe Saddler (Year 9) on her selection in the Lismore Diocesan 15 Years Touch Football Team. Chloe will compete in the School Sport Australian Championships in Victoria in October.

Congratulations to the ten Mt St Patrick College students who represented the College and the Diocese at the NSW All Schools’ Swimming Championship: Anthea Warne, Cecilia Ryan, Madelene Northeast, Chloe Jones, Jacob McRae, Kate Wilson, Isaac King, Nicholas Myler, Ben Felton and Matthew Thackray.

Congratulation to Jake Murnane of Year 9 who has been selected in the NSW All Schools Under 16 Boys Hockey Squad to attend a four day Talented Athlete Hockey Program at the Sydney Academy of Sport and Recreation at Narrabeen from the 10th to 13th June.

In Hoc Signo Spes Mea

Principal

NSW/ACT Bishops’ Survey of Crossroads Outcomes for Parents of Students in NSW Catholic Primary Schools

Parents of students in Years 8 and 10 are invited to participate in a survey on Catholic identity and Religious Education in Catholic schools. The survey has been commissioned by the NSW/ACT Bishops. Schools from selected parishes across NSW have been chosen for this survey, including Mt St Patrick College, Murwillumbah. In addition to parents of students attending the schools of the parish being offered the opportunity to complete the survey, a number of parishioners without children currently at school will also be invited to complete the survey. Given the importance to all Catholic schools of Catholic Identity, Mission, Evangelisation and Religious Education, the NSW/ACT Bishops have asked the Catholic Education Commission NSW to supply to you the link to an online questionnaire with this invitation to participate. All participants’ data is de-identified, which means no-one will know how you have answered any of the survey questions. No-one will even know the school your child attends. The survey process itself protects the identity of all participants.

If, upon reading the survey, you choose not to participate, there will be no negative consequences. You can stop taking part in the survey any time you like and it will not affect you in any way. However, the NSW/ACT Bishops value parents’ opinions in this vital area of Catholic schooling and will be most grateful for your voluntary participation.

In summary, your participation in the NSW/ACT Bishops’ Survey of Crossroads Outcomes is voluntary and, should you participate, your anonymity is assured and your survey responses will remain confidential.

The link to the survey and instructions for parents of students in Year 8 or Year 10 is http://stage.cecnsw.catholic.edu.au/2014/parish_survey.asp

You are asked to ensure that you have completed the online survey by Thursday 22nd May 2014.

FROM THE LEADERS OF WELLBEING

LISIEUX

Welcome to Term 2 everyone. Although only a short term, it is very busy term. Nevertheless, we get through!

Firstly, I must congratulate all the participants and helpers who gave their best in our recent Cross Country. Once again, our high participation points contributed significantly to Lisieux’s victory. In our recent House Assembly, I emphasised the leadership and enthusiasm of our Year 12 students – they proved to be outstanding role models for our younger students. Thank you Year 12!

Congratulations also to Ben Felton, Isaac King and Matthew Thackray (all Lisieux) along with Nick Myler (Nagle) who earned two silver medals in relays at the CCC Swimming Carnival in Sydney. A week later, the boys participated in the NSW All Schools Competition, where they came 5th. What an amazing achievement! Lucas Higgins from 10 Lis F34, has just competed...
in a Golf tournament in the Blue Mountains. Despite the cold he was successful and will go onto the next level.

Well done to all the students collecting Merits for excellent effort and being good people. The current Beacon Cycle ends shortly, so I expect a great many Lisieux students will receive high scores. The Red Army continues its example of Chivalry and Wisdom, but also of Humility.

Margaret Baldini
Leader of Wellbeing - Lisieux

FACULTY NEWS

FROM THE LOP

Last week we held a study skills evening for Year 7 parents and the following information was given out. The latest research on brain theory and effective transformation of knowledge to the long term memory (where it needs to be for examinations), suggests that simply reading over notes is the least effective study method. It is important that students do something with the information they need to learn (summarise it, illustrate it, write it in question and answer form, etc.). In this way, the mental effort of organising and rewriting helps the brain process the detail and lodge it more firmly into the long term memory.

Here are a few suggestions from the study experts:

**Organisation of information** using mind maps, patterned notes or other visual aids. Colour is often useful as it can divide notes into segments. Students should think about the three main points in each topic and display these visually.

**Setting and answering questions** – students could write 10 mini questions on each topic to be examined and then answer them or email them to a friend and answer those the friend has written.

**Recording of notes** and playing them back is effective for some people – you can learn from your own voice played over. In the age of the ipod, your notes can go anywhere with you.

**To explain or teach** what you have learnt to someone else is a very effective study technique. Revision sessions with friends can also be helpful.

**Writing key notes on index cards** and reading them over when you have a few spare minutes is also effective for two reasons – the mental effort of summarising notes onto a card and the ease of pulling them from ones pocket on the bus trip to school.

**Using wall charts** to display key information around the room, or indeed the house.

**Applying knowledge** – thinking of examples, making links between information, making personal connections.

**Remaining positive and motivated** – asking for help if it is needed.

**Devising memory triggers** to help recall key information – mnemonics, jingles, acrostics.

**Using examination papers from previous years** – setting aside the time to do a whole examination to get a feel for time constraints and question types.

Dr Caroline Thompson
Leader of Pedagogy

**LEARNING SUPPORT**

**CAREER PATHS – MENTORING PROGRAM**

We have started a mentoring program to help students find their future career paths. Students interested should speak to their Tutor. The mentors will provide support in understanding the requirements of different careers and pathways.

**RE NEWS**

**IGNITE 2014**

This exciting conference is on again in the September school holidays. The CSO will be organising a trip which is open to students from Yr 9-12. The trip will be subsidized by the CSO to make it more affordable and accessible. At this stage the total cost to students should be about $100 and this will cover travel, accommodation, registration and most meals.

Interested students are to collect a form from the front office and return it (with money) to the Office by Monday 26th May, as a commitment for organisation is required. Please include $50 initial payment (or the whole amount) with expressions of interest. Further details on the conference are below:

**IGNITE CONFERENCE 2014: ‘ILLUMINATE’**

25-28 September 2014
Mueller Performing Arts Centre, Rothwell (Redcliffe, Brisbane)

The Ignite Conference is the largest Catholic event of its kind in Australia for young people - adults, teenagers and children. The conference includes live bands and awesome speakers, with streams and workshops in areas such as leadership, worship, creative arts, mission, culture and prayer!

Michael O’Donohue
Leader of Evangelisation

**FROM THE SPORTS DESK**

**NSW ALL SCHOOLS SWIMMING RESULTS**

After gaining selection in the NSWCCC Swimming team the week prior 10 MSPC students made the trip once again to Homebush. U13 Girls Anthea Warne, Cecilia Ryan, Madeleine Northeast; U14 Chloe Jones; U16 Jacob McRae, Kate Wilson and Open boys Isaac King, Nick Myler, Ben Felton, Matthew Thackray. Their results, (which are tremendous) follow:

Anthea Warne: NSW All Schools’ 100m Champion 1.0031
3rd in 50m Freestyle 28. 45s
3rd in 50m Butterfly
Medley relay 5th

Cecilia Ryan, Madeleine Northeast, Chloe Jones and Anthea Warne 5th in Medley Relay Final

Kate Wilson: 2nd in 50m Breaststroke
2nd in 4x50m MC relay

Matthew Thackray, Isaac King, Ben Felton and Nick Myler 5th in Medley Relay and 7th in Freestyle Relay

Nick Myler: 5th in 200 Freestyle

Jacob McRae: 9th in 50 Freestyle
DIOCESAN TOUCH FOOTBALL
Lismore Diocesan Secondary Touch Football Championships 2014

On Tuesday 6th May Twelve schools from the Lismore Diocese contested the Diocesan Secondary Touch Football Championships and selection trials at Port Macquarie. The weather God turned on the best it had with perfect conditions to play Touch Football.

There were 48 teams entered across the four divisions with over 70 games officiated on the day. The calibre of Touch being played was entertaining, fast flowing and often end-to-end. Many of the round games finished with a difference of 1 or 2 tries with 3 of the 8 Semi-Final births being decided through a count back on for and against.

Congratulations to the players who demonstrated athleticism, skill and commitment to their team throughout the day. Thank you to the team managers who coached their team, overall the conduct and sportsmanship of the students in our Diocese is exemplary.

Thank you to our referees and selectors from the Port Macquarie and Taree Touch Football Associations for making the day possible. Your time and expertise is greatly appreciated. Finally, thank you to Maxine Stone and the teachers, parents and students from the St Agnes Parish Secondary Schools, Port Macquarie for hosting the event.

Erin Gallagher
Carnival Convenor

Under 16 Boys Touch

The U16 boys played fantastically throughout the entire course of the tournament. They were undefeated during the round games and moved straight into the Semi-Finals. In the Semi-Finals the boys faced a strong St Paul's Port Macquarie and were only just defeated 4-2 in a tight match. Selectors liked the look of Tom O'Keefe and he was selected in the Lismore Diocesan side to travel to Wagga in the coming weeks to compete at NSW CCC carnival. Other players, Noah De Valence and Web Lillis were selected as shadows.

The boys should be commended on their sportsmanship and commitment throughout the day. Mathew Lynch (Coach)

MSPC Senior Boys Touch Football

On Tuesday 6th May the MSPC Senior Boys Touch Football team competed at the Lismore Diocesan Secondary Touch Football Championships at Port Macquarie. The day began with the boys defeating Port Regional College 5-0. The Round Two match saw MSPC meet St Mary’s Casino with MSPC College again winning 4-1. A close game occurred during Round Three against Kempsey with MSPC narrowly losing 2-1. Round 4 was another tight match against Xavier College with MSPC again narrowly losing 4-2. The final match of the championships saw the Senior Boys play against MacKillop College. After a long day MacKillop won comfortably, ending MSPC’s chances of qualifying for the finals. Three students were selected for the Lismore Diocesan Team: Nick Burns, Cody Hemmings and Arnold Walsh. Reece Palmer was also selected as a shadow player. Congratulations to all the boys for their efforts throughout the championships.

Ryan Campbell (Coach)

BILL TURNER CUP

On Friday 9th May we took on Lindisfarne in the 3rd Round of the Bill Turner Cup Under 15 Boys Football competition. After a good win in Round 2 the boys were eager to start and play some solid soccer. The game started at a fast pace and did not slow down until the final whistle. Lindisfarne held possession very well in the first 10 minutes and looked threatening several times. It took a sneaky Kodi Cripps goal for our team to really kick into gear. With Ethan Bruggy controlling midfield and Dom Morosini holding the backs together, the boys put in a huge team effort to come away with a 3-1 win. Further goals to Noah De Valence and Caleb Purdy helped the cause. Again a big effort by all players until that final whistle blew with a man of the match from Kodi “always in the right spot” Cripps. We look forward to Round 4 in the coming weeks.

Josh McCormack

U16 NSWCCC HOCKEY

Congratulations to Cassandra Avery who attended the NSW All Schools Hockey trials in Gosford last Sunday 11th May.

NSW ALL SCHOOLS’ GOLF

After 4 balmy days in the Blue Mountains the Lismore Diocesan players have fared well with Lucas Higgins being selected in the NSWCCC squad which will attend the NSW All Schools’ trials at sub-tropical Dubbo during the last week of term.

13 CCC students will compete in the All Schools Trials at Dubbo.

COCHRANE CUP RUGBY LEAGUE

Our U14 League team travel to Woodlawn College tomorrow 16th May to compete in the Cochrane Cup Competition. We wish them all the best and look forward to some pics and their report in the next newsletter.

ALL SCHOOLS’ SURFING

Good luck to our 8 surfers travelling to Ballina tomorrow 16th May for Regional Surfing.

TWEED VALLEY COMPETITION

The sport socks for those students in a team for the Tweed Valley Competition have now arrived at the office. Students can purchase them for $11.

Tim Whitney
Sports Co-ordinator

PDHPE NEWS

PDHPE CAMP 2014

Our journey began on Monday 7th April. Just like an average Monday we arrived at school but fortunately enough our awesome Yr11 PDHPE class were departing on a three day adventure.

We headed off to our accommodation at Pioneer Country in Tweed Heads. Once we unpacked and set up we then leapt back on the bus to enjoy a cool down swim at Snapper Rocks before we continued the rest of our day.

Preparing for the worst, we were back on the bus before we knew it, but this time to a different destination, one which
required us to use energy and team work and effective communication would be the key to success! Dragon-boating would be an experience of a lifetime and for many of us, it would be the first time we had ever been in a dragon boat. Going against the tide and wind, after 2hrs we made it to the back of Burleigh and we were all ready to turn around again. The return trip would see us back at Tallebudgera in about 30 minutes! Gee were we happy with our efforts!

Before we could click our fingers again, it was 6pm and we were all ready for a good night sleep but not before dinner and a run down on the next day.

With a 5:30am wakeup for Day 2, it began with a beach walk before breakfast! Heading to Hinze Dam to begin our second day of activities, the first being canoeing. From one end to the other, a snack at the other end with a little swim was just what we needed. With an eventful return trip, capsizing and water splashing we made it back all in one piece ready to continue our day. Bike testing, fitting and practice riding before we headed up the mountain for our 12km mountain bike ride. And gee was this hilarious! Highlight for a few of the boys, seeing classmate Liam Bromwich upside-down falling directly on to his head! Painful however extremely funny!

Luckily enough after the 12km, 8 creek crossings and rocky sections we made it just around the corner from the end before our one and only bike failure in a flat tyre. Dinner on night 2 would be Butter Chicken, making just about every student over the moon! Before we knew it again 5:30am start for a beach walk and breakfast again, before heading to Springbrook for the final part of our time together away from the classroom.

The leap of faith and a flying fox would be how we completed our camp, splitting into 2 groups going separate directions, run down of safety and then it was our turn to undertake fears of height. Flying over the creek and before we knew it, that part of the day was over and we were heading to the other side for ‘the leap of faith’. For what we were told a 17m pole, that we we were taken down falling directly on to his head! Painful but not before dinner and a run down on the next day.

After finishing this stage we were back on the bus to Pioneer Country to depart for school and then home to sleep after an enjoyable 3 days filled with fun and laughter. I would like to thank Mr McCormack and Mrs Allen for organising the camp for us and accompanying us for the three days!

By Arnold Walsh 😊

**NSW PREMIER’S READING CHALLENGE 2014**

The Premier's Reading Challenge is on again and continues until 22nd August.

**What is the NSW Premier's Reading Challenge?**

The Premier's Reading Challenge (PRC) is available for all NSW students in Kindergarten-Year 9. Participation is voluntary. The Challenge aims to encourage in students a love of reading for leisure and pleasure, and to enable students to experience quality literature. It is not a competition but a challenge to each student to read, to read more and to read more widely.

**What are the conditions of entry?**

Appearing on the Honour Roll are conditions of entry in the Challenge. Each successful student’s name appears on the Honour Roll with no other identifying information. The Honour Roll may appear in a special publication and on the PRC website.

**How can I find out more about the Challenge?**

The booklists, Challenge rules, frequently asked questions and helpful tips can be accessed via the PRC website, www.premiersreadingchallenge.nsw.edu.au or simply use your search engine to find “NSW Premier’s Reading Challenge”.

**Student Reading Records.**

Once registered students are given individual usernames and passwords to access their own record online. Students from Years 7, 8 and 9 need to read 20 books between now and September 22nd August and submit their reading record to successfully complete the challenge. Online reading records are available and books can be entered via any computer with internet access at school, in a public library or at home. Students use their individual usernames and passwords to access their own record. The school’s PRC coordinator (Mr.Bailey) validates the student reading records.

For more information, or to register see Mr. Bailey , Leader of Learning English or College Library staff, Mr. Culnane and Miss Grant.

2013-2014 Family Energy Rebate

$125* TOWARDS ENERGY BILLS

DON'T MISS THE DEADLINE!
Apply before 5pm
Friday 13 June 2014

WHAT IS THE FAMILY ENERGY REBATE?
The Family Energy Rebate helps to cover the costs of energy bills for NSW households with dependent children. In 2013 – 2014 the rebate gives:

• A $125 credit against electricity bills for eligible applicants who receive electricity from an electricity retailer.

• A $137.50 direct payment to nominated bank accounts for eligible applicants who live in a caravan or mobile home park and receive electricity from the park operator.

AM I ELIGIBLE FOR THE FAMILY ENERGY REBATE?
To be eligible you MUST:

• Be eligible for Family Tax Benefit A or B during 2012-2013 and have received a relevant payment; and

• Be the primary account holder of an electricity retailer, OR a long-term resident of a caravan or mobile park home, whose name appears on the electricity bills supplied by the park operator.

YOU CHOOSE HOW YOU WANT TO APPLY FOR THE FAMILY ENERGY REBATE

• ONLINE – it takes a few minutes to submit and processing starts immediately.

• PAPER – download a form from the website, complete and submit by email, fax or post.
