Dear Parents and Friends of Mt St Patrick College,

As the year draws to a close, it is with great pride that I reflect on some of the defining events of 2014:

- The new school year began with a record enrolment of 729 students. This is the fifth consecutive year that enrolments have reached record levels and the first time numbers have exceeded 700. Enrolments in Year 11 exceeded 100 for the first time with 111 students enrolled at the beginning of the year.

- Beacon, a new reward system, was implemented in all years from the beginning of 2014. The system has been very successful and will continue in 2015 with minor modifications. Beacon rewards effort, not marks. It is extremely pleasing to note that approximately 84% of students received a Beacon Score of 8 or above out of 10 in many of the Beacon Cycles. This is a tremendous effort and I congratulate those students, and all those who have shown an improvement in their Beacon Score.

- This year students were surveyed online on three different occasions so that their opinion was considered when planning. The surveys were conducted for the School Review and Development Process, Bullying and Beacon.

- The main focus of 2014 has been to review of our current practices and develop a plan for the future direction of the College. The two step approach included a successful Compliance Audit and an eight month School Review and Development Process. As a result, a new five year Strategic Plan has been written and will be implemented from the beginning of 2015.

- Improvements to school facilities and resources this year cost in excess of $110,000. This included renovations to D8 and D9, the purchase of five new photocopiers, air conditioning of the Hospitality Room and the installation of two TV monitors on the playground to allow early and constant access to the Daily Bulletin.

- The Year 9 Debating team won the NSW Catholic Schools’ Debating Association Championship. On their way to winning the Championship title, the Debaters won their Regional Final, the NSW
Catholic Schools’ Country Championship and then defeated the NSW Catholic Schools’ City Champions to be named the best Year 9 Debating team in NSW Catholic Schools.

- Students have actively supported service organisations again this year. Twenty eight Year 10 students assisted with Meals on Wheels; twenty four senior students and fourteen staff helped with ‘You Have Friend,’ a charitable organisation which assists the homeless of Murwillumbah, while forty three students volunteered as members of the College’s St Vincent de Paul Conference. As well, thirty nine students assisted others students as readers and writers during the examination periods.

- This afternoon 344 students will receive an Exemplary Behaviour Award for not receiving a Ground Duty or Detention this year. It is particularly pleasing to see so many students receive this award including almost three quarters of Year 7.

- The College was the highest ranked school in the local area in the 2013 Higher School Certificate. This is the eighth consecutive year that Mt St Patrick College has held this rank. The results confirm our place as the best academic school in the local area.

I wish to thank the many students who have contributed to 2014 by doing the ordinary everyday things extraordinarily well. Thanks to those who have worn their uniform correctly, arrived at class on time, completed their school work to the best of their ability, volunteered in the service of others, supported the religious dimension of the College and involved themselves in the many extra activities offered by the College. These students are our most significant success of 2014 because they define our unique culture and make Mt St Patrick College the special place it is. Well done everyone.

Staff Changes
I would like to acknowledge two staff members who will not be returning to Mt St Patrick College in 2015.

Dr Caroline Thompson was appointed to the College at the beginning of 2013 as our first Leader of Pedagogy. She has had a major impact on teaching and learning through her extensive work with teachers. Dr Thompson is a very experienced educationalist who has provided staff with current and proven information about the latest trends in educational research. She is moving out of education to work with the Sisters of Mercy at various locations around Australia. On behalf of the College, I wish Dr Thompson all the best and thank her for significant contribution to Mt St Patrick College.

Mr Richard Curtin has completed his 12 month contract with the College. I thank him for his contribution to the College and especially to the HSIE KLA. His youthful energy, connection with students and his willingness to be involved in all areas of College life will ensure a rewarding future in education. On behalf of the College, I wish Mr Curtin all the best.

2014 College Magazine
The 2014 College Magazine is now available for purchase at the remarkable low price of $20. This year’s edition includes many photos and articles of 2014 events including fifteen pages on Year 12, including their Formal.

In recent years, the demand for a copy of the College magazine has been disappointingly low and so less copies has been printed this year. To ensure your copy, please purchase one soon as the limited copies may run out.

Parent Teacher Interviews
Parents wishing to speak with teachers about their child’s Yearly Report will be able to arrange an interview time on Thursday 18th December, 2014. Parents who wish to make use of this opportunity are asked to please ‘phone the College on Wednesday 17th December to arrange an interview time between 9.00am and 3.00pm on Thursday 18th December. Interviews must be arranged in advance as staff will be involved in Professional Development activities on Thursday and will need to schedule interviews around those activities.

2015 College Office Hours
The College Office will be open from Friday 23th January, 2015 from 8.15am to 3.00pm. College diaries and hats will be available for purchase at a cost of $12 and $8.50, respectively.
Return Dates for 2015

Thursday 29th January, 2015 - Years 7, 11 and 12 return plus new students in Years 8, 9 and 10.

Friday 30th January, 2015 - All students return.

All students are required to wear their full dress uniform to school on the first two days of the 2015 school year, Thursday 29th January and Friday 30th January, 2015.

Merry Christmas

On behalf of Mt St Patrick College, I wish everyone a safe and relaxing holiday and hope that Christmas will be a special time with family and loved ones. Merry Christmas and all the best for the New Year.

In Hoc Signo Spes Mea

REWARDS AFTERNOON
Last Tuesday 9th December 110 students took advantage of a morning of swimming and use of the slide at TRAC. It was a way of thanking those students who have given up significant amounts of their free time to complete extra-curricular activities such as marching on Anzac Day; being part of the College Band or Choir or achieving an Exemplary Honour Award in 2014. It was a great way to spend a very humid morning.

GIRLS DRESS UNIFORM SKIRTS:
At the College, skirts are to be worn below the knee (when the skirt is sitting on the waist with the zipper done up, i.e. not having the waistband rolled over or the skirt sitting on the hips). Recently many girls in Years 7 – 11 were spoken to by House/Year Coordinators about the short length of their skirts and the need to lower the hem or purchase a new skirt before 2015. Please keep in mind that most of the girls will be growing taller and purchase skirts with plenty of hem length.

VOLUNTEERS NEEDED
On Tuesday 27th January, 2015 from 9 am – 12 noon, willing workers of all sizes and experience are needed to set up classrooms after the holiday carpet cleaning. Please don’t hesitate to come and help, even if only for a short time on the day. I will be in my office from 8.30 am anxiously awaiting your arrival.

COLLEGE DIARIES FOR 2015
All students in Year 7 – 12 are required to have a hard-covered College Diary, available from the Front Office in late January 2015, at a cost of $12. They are not to be covered or have any decorations, stickers, pictures, borders or graffiti of any kind on, or in, them. The cardboard which reinforces the cover is not to be removed. The Diary is for school business and is seen as a way of students organizing themselves and as method of communication between parents and the College.

SHOES (Refer to the pictures at the end of this Newsletter)
Dress uniform shoes – Traditional, polishable black leather lace-up shoes are worn with the boys and girls dress uniform. They need to have a hard leather top and a ridged sole. Skate shoes, Lynx, platform shoes, buckled shoes, soft ‘ballerina’-type shoes and black leather joggers are unacceptable.

Sports Shoes - These are to be neutral-coloured lace-up joggers which tone in with the College sports uniform and are suitable for Sport and PE. The sole needs to offer cushioning and there must be good ankle support. The laces must be done up on top of the tongue of the shoe. Skate shoes, Vans, flat, thin rubber soled shoes are not acceptable as they do not offer support and safety for sporting activities.

Since these are costly items it is imperative that the correct shoes are purchased at the beginning of the year.

ADVANCE NOTICE: COLLEGE PHOTOS 2015
Individual photos will take place on Thursday 5th February commencing at 8.55am. Students will be given personalized envelopes in homeroom early in the year, to take home which outline the options available. All students will be in their homeroom photos but will only have to pay if they want a copy of the photograph.

THE JOY OF CHRISTMAS
I would like to express my appreciation to the staff, students and parents of the College for their support during the 2014 school year. I would especially like to thank Mr Daly for his guidance throughout the year.

May the peace and joy of Christmas be with you, and your family. I look forward to 2015 and the exciting opportunities and challenges it will bring.

Mary-Anne McShane
Assistant Principal

FACULTY NEWS

MEALS ON WHEELS 2014
A big thank you to all those parents, students and parishioners who have generously given up their time to help with Meals on Wheels during 2014. Our drivers were Dorothy Macartney, Fran Silk, Jodie Champley, Cara Graham, Alison Lee, Greg Smith, Jo Higgins, Kirsty Porter, Anneliese Simke, Moira Cooper, Bill Battese and Maureen Reynolds. A special thank you to those
who helped out during the holiday periods as this is even more of a commitment.

Your generosity and concern for people in our parish community is greatly appreciated and valued and gives visible witness to the message of Jesus: "Whenever you did this for one of the least important of these brothers of mine, you did it for me" (Matt 25:40-41).

If any parents are able to help with Meals on Wheels in 2015, please ring the College on 66722340 and leave your name, phone number and preferred day(s). Thank you in anticipation of your help.

YEAR 10-12 RETREATS 2015
The 2015 Year 10 Retreat will take place on Monday 2nd to Wednesday 4th March and the Year 12 Retreat from Wednesday 4th March to Friday 6th March (Week 6, Term 1) at Camp Bornhoffen. This is an important opportunity for students to reflect upon their lives in a very busy year, especially their relationships with family, friends and God. A letter regarding details (eg cost $165.00) and more specific information will be given in the first week of next year.

The early notification of the retreats is to enable families to plan and budget for these important activities, as the early part of the new College year is always expensive. The retreats are seen as integral to the philosophy and ethos of the College and therefore the retreat is compulsory for all students. It is also an essential part of their holistic development. Parents are asked to ring the College if further clarification is needed.

Leader of Evangelisation

FROM THE SPORTS DESK
KINGSGLIFF TRIATHLON
The winners of last week’s Kingscliff Triathlon teams competition was Grace Smith, Eva Kettle and Tahlia Jones. Well done girls!!

FOOTBALL SUCCESS
Year 10 Mt St Patrick student Jake Marshall is a step closer to fulfilling his dream to play Football at an elite level. Jake has been playing with Brisbane Strikers in the Under 16 and Under 18 NPL Competitions. He is now in line for selection in the Brisbane Roar Under 18 side which will play in the National Premier League Competition. Jake is playing at Centre Back at present, however his versatility and goal scoring ability means that he is equally comfortable playing as a Striker.

After several years of dedicated travel Jake has been rewarded with a full two year scholarship at Brisbane Boys Grammar as a boarding student. We wish Jake well in his studies and his Football career.

DOMINIC MOROSINI - AIS NATIONAL TRAINING CENTRE FOOTBALL CHALLENGE
On Sunday 30th November Year 9 student Dominic Morosini travelled to the Australian Institute of Sport in Canberra with the Queensland Academy of Sport Under 15 Soccer Team. The QAS would take part in a week long tournament against all the other National Training Centre teams. This tournament brings together the best players in Australia from the 15-16 year age groups.

Listed below are the results of the games which in the QAS team participated:

Following the last game the QAS team finished second which meant they would play Victoria in the Final. This was played Friday night 5th December with the QAS narrowly going down 1-0. Dominic commented that “it was an experience he will never forget”.

The College would like to congratulate Dominic on a fantastic effort. Well done!

NEW SOUTH WALES SURF LIFE SAVING SELECTIONS
Congratulations to Ela Heiniger and Luke Chaffer who last weekend attended the NSW SLS Interbranch Competition, competing for Far North Coast. Both athletes were named in the NSW Youth Surf Life Saving team. Congratulations to all the other MSPC students who were also part of the FNC team, Anthea Warne, Liam Wilson and Josh Jones.
POWER WALKING REPORT

Term 4 Sport offers some interesting alternatives to get out and about. One such is Power Walking.

This hardy bunch clocked up over 54 km of powerful walking according to my pedometer tally.

Week 1: At the invitation of Mrs Wilcox (and a promised jump in her pool) we walked out to her place. 6.5 km return. No time for swimming though.

Week 2: Racecourse Road close to Melbourne Cup Day we went thinking to 'check out the form'. 6.3 km

Week 3: Rotary Hill. After enjoying the view we toured the river and sights. A very humid day with 5.6km

Week 4: Golf course - our longest sortie of return 7.6 km. A hot day and we only just made it back for the buses.

Week 5: Airport. Here we enjoyed one of the most beautiful views of Mt Warning imaginable. Mr Lionnet shouted us a frozen coke from Maccas on the way back. 6.7 km return.

Week 6: Bad weather. We were forced indoors so no walking.

Week 7: Rowing Club. Out along the river to see the rowers and around the long way home stopping for an ice block and to see Danna's house.6.2km round trip.

Week 8: Local sights. Turning west along the river out to the boat ramp and into the cane fields to replenish our oxygen levels amongst the C4 plants. (forgot the pedometer) Must have been over 6 km return.

Week 9: Old Art Gallery and wharf 3.1 km

That's 71200steps.

Till next year Cheers
Sherree O’Brien and Marc Lionnet (Walking Coaches)

SCIENCE NEWS

EARTH AND ENVIRONMENTAL SCIENCE

Students learn the value of sustainable organic gardening

In 2015 Earth and Environmental Science students will be growing vegetables organically without the use of pesticides or fertilizers. Protection of the environment is a value, which, along with certain other values is an integral part of our curriculum. Through activity-based learning, such as this, the students will learn new skills that will enable them to be more informed and responsible global citizens of tomorrow.

COLLEGE NEWS

THANK YOU!

The 2014 Christmas Carnival and Tableau was one of the most successful we have ever staged. It is a wonderful community occasion and a memorable start to the season of Advent leading to Christmas.

Our Parish schools are to be congratulated on their wonderful music, singing and presentation of the Tableau. Sincere thanks to the students, staff and parents involved.

Thank you also to those who attended the Carnival, donated items to the stalls, participated in the parish raffle, worked on the night or at working bees, or in any other way contributed to the overall success of the occasion.

This was the 53rd Christmas Carnival and Tableau, the first having been held in 1961. Over the years it has become an important event in the life of not only our parish and schools but the broader community, with the Tableau reminding us of the real meaning of Christmas.

Funds raised support the parish in its mission, which includes the provision of our three schools: Mt St Patrick College, Mt St Patrick Primary School and St Joseph’s School South Murwillumbah.

Thank you and best wishes for a Peaceful and Happy Christmas and New Year.

Fr Anthony Lemon, Parish Priest on behalf of Sacred Heart Parish and the Christmas Carnival Committee
THANK YOU
We would like to take this opportunity to offer our gratitude and heartfelt thanks to all those who have offered their condolences in recent weeks.

Thanks to Father Lemon and Mary-Ann Thackray for their wisdom and guidance when organizing Lynne’s Funeral Service. Thank you to Beth, Mary-Anne and Antonia for their warmth and beautiful choral performance. Thank you to all the staff who have supported us with their many kind words. Finally, thank you to the students of Year 11. You are a credit to your community, your school, your families and yourselves. I hope your lives continue to be filled with the empathy, compassion and kindness you have shown us.

Yours sincerely
Warren, Sebastian and Riley Jones

INDIGENOUS STUDENTS CELEBRATE THEIR LEARNING

During a special gathering on Tuesday afternoon 9th August, Indigenous students each presented the story of their learning. This community event was the first where story telling was the focus and it was a credit to our Indigenous Education Assistant, Mrs Colleen Poudal, and the work she has done with students, their families, community agencies and teachers crafting their Personalised Learning Pathways. A special note of appreciation is due to Rebecca Fuller (Year 10) and Radhika Poudal who assisted the students make their audiovisual presentations and to Mrs Margaret Baldini for her interest.

Guest speakers, who told stories of their learning and offered advice, were Aunty Deirdre Curry, Aunty Belle (who works nationally and internationally as a Story Catcher) and Radhika Poudal who assisted the students make their audiovisual presentations and to Mrs Margaret Baldini for her interest.

I was honoured to also address the gathering and I talked about how research shows that children and young people who know their intergenerational family narrative (including the happy moments and the difficulties) are far more resilient than those who don’t have this knowledge. Family and personal story telling are a very powerful and highly recommended practice for us all.
