Dear Parents and Friends of Mt St Patrick College,

‘He has risen, He is not here.’

When Jesus spoke for the first time to the disciples about the cross and the resurrection, they questioned what ‘rising from the dead’ meant (Mk 9:10). Somehow the resurrection seems to be situated far beyond their own horizons and experiences. For us it is much the same and we too find ourselves continuing the argument of the disciples: What exactly does this rising mean? What happened there? What does it mean for the whole world and for me personally?

Christ’s resurrection is something different, something more than a person brought back to life. It is not just some miracle from the past. The resurrection is the most crucial leap into a totally new dimension that there has ever been in the long history of life. It is a new future life starting from Christ. Jesus is no longer in the tomb. He is in a totally new life. But how could this happen? The crucial point of this question is that Jesus was not alone. He became one single reality with the living God, so closely united with Him as to form one person with Him. His new life was not His own but in communion with God. He has become one in Christ.

The resurrection ushered in a new dimension of being, a new dimension of life in which, in a transformed way, a new world emerges. We begin to be drawn to that new world through Baptism. This Easter may we grow in our appreciation of what ‘rising from the dead’ means for us and our world.

Beacon

The first Beacon Cycle of the year closed on Friday 20th March after a four week period. Beacon Certificates were issued to all students last Friday 27th March with each recording a student’s effort in every subject as a score out of 10. Beacon rewards effort not marks. Students who received an average Beacon Score of 9.5 or above out of 10 received a Gold Beacon Certificate. Those with an average Beacon Score of between 9.0 and 9.4 received a Silver Beacon Certificate while a Bronze Beacon Certificate was issued to students whose average Beacon Score was between 8.0 and 8.9.

Beacon is an opportunity for every student, not just the academic, to be recognised and rewarded for their effort. It provides an opportunity for parents to discuss their child’s progress at the end of Term 1 and their goals for the rest of the year.

Congratulations to the many students who are working hard and making a significant effort in class.

Congratulations also to the following Gold Beacon recipients:

Year 9 - Lauren Viglione

Year 11 - Lauren Ricketts, Ebony Shields, Makayla Hall, Erin O’Keeffe, Kate Wilson, Lily Simke Hetherington

Year 12 - Ayla Bower-Williams, Claire Larkin

RE NEWS
PROCLAIM STUDENTS 2015
YEAR 11 STREET RETREAT – A PENTECOST EXPERIENCE
Lismore Proclaim Students 2015 aims to provide a comprehensive continuum of Intentional Student Discipleship Programs across the Diocese for students from Year 5 to Year 12. These gatherings aim to bring Catholic secondary students together to meet like-minded peers and to celebrate and meet with other young people who practice their faith.

In 2015 six Year 11 students from our school will join students from each of the other parish secondary schools in attending the Street Retreat experience in Brisbane. This experience will form, equip and empower students to return to their parish communities with a passion for social justice and greater sense of the call of Jesus Christ to serve the poor.

Participants in the Street Retreat will spend from Thursday night 18th June to Sunday evening 21st June working with a range of social justice initiatives in Brisbane. Their participation may make a small contribution to those being served – but the event is first and foremost an exercise in faith development.

Participants will find the activities on the street retreat challenging and possibly confronting. Many activities run either very late at night or very early in the morning. The retreat will culminate in a celebration of Sunday Eucharist. In addition, all participants in 2015 must commit to a follow up Social Justice Activity to be held in their own parish/school community following the Brisbane formation experience. Details of these activities will be made available to students upon their selection.

In discerning which students might participate in this retreat experience, the Diocese has recommended the following selection criteria;
- Catholic students who can demonstrate involvement in their parish.
- Catholic students who have attended previous student discipleship programs
- Students who exhibit the following attributes:
  - a strong sense of social justice
  - initiative
  - common sense
  - a mature character

A number of Mt St Patrick College students have already expressed an interest in this event. We can, however, only offer 6 places. Any student who would like to be considered is asked to write a brief statement supporting their nomination on the information sheets provided by Mr O’Donohue and available at the front office. Attention should be given to the stated selection criteria. Nominations should be handed to Mr O’Donohue no later than Friday 15th May, 2015.

Successful applicants will be asked to make a contribution of $50 towards the cost of this experience.

MATHS NEWS
All classes have now experienced their first assessment task for the year. There have been some very pleasing results. This is not restricted to those who achieved high results, but those also, who have recognised an improvement from last year. All students should be setting themselves goals to improve on their previous result. Consistency in work, and not just last minute study helps students to feel confident. I am thrilled with the number of students who have asked for assistance throughout the term, not just at the last minute. Congratulations to those who are making good use of the Thursday lunchtime assistance. Maths is one of those subjects where the old phrase “slow and steady wins the race”.

A REMINDER…. MATHMATICS COMPETITION.
After extremely successful results in the 2014 Australian Mathematics Competition, we are asking that all Accelerated Mathematics students in Years 7-10 participate again this year. The date for the Competition is Thursday 30th August. The Entry Fee this year is $6.00 (no increase on last year!) and students may begin making payment to the office as soon as is convenient. Year 7’s will be notified of places in the Accelerated class at the end of this term and teachers will be encouraging all students to enter. This is a fantastic way to experience mathematics questions without the pressure of marks going towards grades. Any student in the school is most welcome to participate as well as it is possible for anyone to be successful!

AS SOME STUDENTS MISSED THE CUTOFF DATE FOR ENTERING LAST YEAR WE ARE REQUESTING THAT ALL PAYMENTS BE MADE BY FRIDAY 24TH APRIL, 2015.

YEAR 7
All Year 7 students are encouraged to attempt the Maths Competition. It is a good experience and can yield surprising results. Students in Year 7 have recently sat their first
assessment task and there will be movement in classes at the beginning of next term.

Wishing for everyone some special times over Easter and the holidays. Thank you to the Mathematics teachers for their efforts, it is appreciated.

Leader of Learning - Mathematics

FROM THE SPORTS DESK

DIOCESAN WINTER SPORTS TRIALS

MSPC sent 9 students to the Lismore Diocesan Winter Sport Trials at Woodlawn College on Saint Patrick’s Day. 3 students were successful in gaining a position in teams. Dominic Morosini (Yr10) and Arnold Walsh (Yr12) were selected in the Open Boys Football Team and Hayley Jones (Yr11) in the Open Girls Football Team. All three students will now compete in the NSWCCC Football Championships to be held over 2 days on 25th and 26th May at Blacktown, Sydney. We wish these athletes the best of luck at this Competition.

GOLFING SUCCESS

Lucas Higgins, Alex Hunt and Riley King travelled to Yamba Golf Course on Saint Patrick’s day to compete in the North Coast All Schools Golf Championship. Defending their title, which they won last year, the team had the luck of the Irish with them and the result was never in doubt on Saint Patrick’s Day. The MSPC team where successful again winning the Championship for the second year in a row. Well done boys.

TWEED VALLEY TRIALS

Students have selected the sports that they wish to take part in during the Tweed Valley Competition during Term 3 and have been involved in trials during Tuesday afternoon sport time. Teams will be finalised this week. Any students who were unsuccessful in gaining a position in their chosen sport and still want to be part of this competition are to see me during Week 1 of Term 2. Some teams may not be completely full and they can play in these teams if they so desire.

YEARS 10 AND 11 ELECTIVE SPORTS: TERM 2

Students in Years 10 and 11 are reminded that school resumes on Tuesday 21st April and sport will commence on that day. If students selected a sport that requires equipment or money or swimmers, can they please make a note of this and plan for sport as normal Day 7 Term 2.

All students who selected Rowing will also have to bring swimmers and towels in Week 1 as well as $3 entry fee into the TRAC as they are required to complete a 100m swim proficiency prior to Rowing.

YEARS 7 – 9 SPORT TERM 2

All students in Years 7, 8 and 9 will be involved in an Interhouse Competition where they play and accrue points which will be added to the Champion House Trophy which is awarded at the start of each school year. Sports included will be Touch Football, Basketball, Volleyball and Soccer.

CHANGE OF DATE AND VENUE FOR DIOCESAN TOUCH FOOTBALL

Due to an impending Industrial stop work action on the 28th April the Diocesan Touch Football Carnival has been moved from Ballina to Hepburn Park in Lismore. The Industrial action, a full day stop work, has meant the Carnival has been moved to the following Tuesday 5th May. This date also clashes with our College Cross Country. This will mean that any student wishing to compete in the Cross Country Carnival will need to run it on the Monday.

BILL TURNER CUP SOCCER ROUND 1

On Monday 30th March, Mt St Patrick College Bill Turner Cup Under 15 Boys Football competition kicked off for 2015 against St Joseph’s College, Banora Point. The team had a bye for round one of the competition, so the nervous and very young side were looking forward to putting on the Mt St Patrick football jersey for the first time in 2015. With only one Year 9 student in the team, we started with a young but nimble team. Some earlier nerves were settled in the 8th minute as Harris McLean scored the first goal. A patchy game then followed and the boys went into half time 2-1 down.

Half time the point was pushed that we have the talent and skill to win the game and the boys started the second half with added enthusiasm. It was not until late in the second half we were awarded a penalty for a hand ball inside the box. Dylan Marshall calmly slotted the ball into the back of the net. This left a very entertaining last 5 minutes. Within that last 5 minutes Dylan Marshall again caused the defence some trouble and ran past two defenders with determination and guided a shot into the bottom corner. A lead was built and needed to be hung on to!

A last ditch effort by St Joseph’s saw them awarded a penalty, which luckily for us was pushed high and wide of the goal, which meant a win to Mt St Pat’s 3-2. With seven Year 7 students, seven Year 8 students and one Year 9 student, this was an excellent result and proved to the boys that with determination and a ‘never give up attitude’, a positive result is always possible. Thanks to Mr Morosini for his guidance and selection of the boys over the earlier sport session on Tuesday afternoons. We now look forward to our next opponent in Term 2.

Josh McCormack

NSWCCC U16 HOCKEY SELECTION

Four MSPC students attended the NSWCCC selection trials in Newcastle on Monday 23rd March. Jake Murnane, Chloe Jones, Chloe and Brooke Saddler. Jake was attempting to be chosen for the Open NSWCCC team and was selected in the final 22 for a possibles v probabilities game but unfortunately missed selection. Chloe Saddler however, was selected in the NSW CCC U16 Hockey side and will now play in the NSW All Schools’ Championships on the 17th April. We wish her all the best for this and congratulate her on her outstanding achievement.
QUEENSLAND SURF LIFE SAVING CHAMPION
Isaac King (Yr 12) competed in the Queensland State Surf Life Saving Championships last weekend at Maroochydore on the Sunshine Coast. Isaac won two Gold medals competing for his club, Kurrawa. He was a part of the U17 Ski Relay and Board Relay teams which won gold. Isaac was also leading the Individual Ski Final but was hit by a wave and lost his craft. Well done Isaac, continuing his great form this season.
