Dear Parents & Carers

Term 1 has certainly been a busy one for the staff and students at Mt St Patrick College. Our College Captains addressed the student body on Tuesday of this week and ran through a long list of achievements and activities that had taken place since the start of the term. Included in the list were sporting activities, numerous music performances, our Golden Jubilee and St Patrick’s Day celebrations and Open Day, not to mention the many hours of classes, homework and assessments.

It has been fantastic to see our Year 7 students successfully transition into secondary school life. They have coped extremely well with the added responsibility and organisation required when confronted with a 20 day timetable and classrooms spread far and wide across the College. Just as pleasing has been the manner in which our Year 12 students have taken on the challenges their chosen course of study has provided them. The Year 12 examinations began today and continue into the final week of this term. They should be looked at as an opportunity to showcase the hours of effort and study devoted since Term Four last year. I certainly wish our Year 12 students every success with these important assessments.

Our Open Day held on Tuesday March 22 was an overwhelming success. The staff and students worked hard to showcase what Mt St Patrick College has to offer. The feedback I received from those who attended was very positive. In particular guests highlighted the impressive way our students guided them on tours and answered their questions about the school. I would like to remind everyone that the final day for enrolment applications is Thursday April 7 which is the last day for students this term.

I would like to announce that Mr Simon Holder will be joining our teaching staff at the beginning of Term 2 for the remainder of the school year. Simon is replacing Mrs Amanda Starr who is starting her maternity leave at the end of this term. Simon has been a casual teacher at Mt St Patrick for a long time now so is very familiar with the school and many of the students. Simon will be a great addition to our English Faculty. On behalf of the College community I would like to wish Amanda well and we all look forward to meeting her precious new baby next term.

The final day of term, Friday April 8, is a student free day. On that day the staff will be involved in professional learning in the area of spirituality. As a staff we will be looking at the Foundational Values for Catholic Identity and Mission and how this document is evangelised within our school community.

On a personal note I would like to thank the parent community for the warm welcome they have provided me in my first term as principal. I would also like to pay tribute to the hard working staff we have at the College and most importantly to all the students who have lived our College theme ‘Be Merciful’ by looking after each other and giving their best to all that they do.

As this is the final newsletter for the term, I would like to wish all of our staff and families a happy and safe Term One holiday.

Yours sincerely

Paul Clohesy
Principal
ANZAC DAY MARCH
Mt St Patrick College has once again been invited to participate in this annual event which will occur on Monday 25th April, the day before staff and students return for Term 2. The students and teachers of our College have traditionally expressed their appreciation of the great sacrifices of those who gave their lives and service for the benefit of our country and the preservation of peace.

Students are encouraged to continue this tradition in Murwillumbah on Monday April 25th. Our College Marching Band and Drumline will again be involved, under the direction of Mrs Pratt and Mr Patterson.

Those wishing to march are to assemble opposite the Murwillumbah Post Office at 10.00am. The March is due to begin at 10.30am. Full Dress uniform is to be worn, including hats. Do not hesitate to contact the College on (02) 66722340 if you have any questions regarding this event.

Please complete the ANZAC MARCH FORM at the end of this Newsletter and return it via your student to their homeroom teacher by Thursday 7th April 2016.

YEAR 10 RETREAT
In Week 6, the bus trip to Bornhoffen was slow and long, the roads were windy and the weather was wet. We arrived at the destination, unpacked the bus and followed the teachers to begin our spiritual journey. After a brief introduction of what we were doing we were sent to our cabins to get settled in. The environment was stunning and natural. After a quick morning tea and admiring the views we got stuck into our groups where we started our first session.

The Retreat was full of opportunities to come together as a year and to bond, to learn more about what is important to us in our lives and to value what we have rather than focus on what we don’t.

Year 10 reflected on ourselves in a new way and gained a greater understanding of each other, our faith and our families.

Overall the experience is one that we will never forget, and we hope to keep the bonds between us that were formed and strengthened.

Thank you to all the teachers for taking us, and supporting us in our school life.

Below are some other comments made by Year 10 students:
- an engaging and exciting journey that you must go on
- an experience that has made me overcome adversity and face challenges I never thought were possible
- best experience in my schooling life and will be forever a significant moment in my life
- I have changed for the best
- I have realised who I would like to be and what I’d like to be in life
- a magnificent experience
- enlightening and educating
- was undeniably one of the most enjoyable and emotionally supporting experiences I’ve ever had

FROM THE SPORTS DESK
NSWCCC VOLLEYBALL HONOURS
Congratulations to Jarrah Brownhill and Noah De Valence, both of Year 11, on their recent selection in the NSWCCC Volleyball team. The boys will now go on to play in the “Tri Series” where they will play Combined Independent Schools and Combined High Schools’ teams in Sydney.

DIOCESAN WINTER SPORTS TRIALS
Congratulations to the following students who were selected to represent the Lismore Diocese in various sports from the recent Winter sports trials:
Ben Jeffrey Yr 12 – Football, Jasmine Perry Yr 10 Football. Ben and Jasmine will attend the NSWCCC Championships to be held in Sydney in Week 6 next term.
Joshua Quinn Yr 12 – Rugby League. Josh will now attend the Northern Country League trials at Smithtown next week (Week 11).

NATIONAL AGE SWIMMING
Kate Wilson will attend the National Age Swimming Championships in Adelaide next week. These Championships will also be a selection trial for the Paralympic team in Rio this year. Kate, all the MSPC community will be behind you, best of luck!
Anthea Warne has a weird way of getting out of school! Off to Adelaide for a week again last Saturday for Swimming Australia National Age Championships where she hopes to make the finals of the events she has qualified for: 50m, 100m, 200m, 400m freestyle and 100m and 200m Butterfly. A busy schedule, good luck Anthea!

Darcy Reinke from Yr 7 is also attending these Championships in the 12/13 age 200m backstroke. We wish him all the best and look forward to hearing about his swim.

HOCKEY
We have a wealth of talent at the College in Hockey. Many students are representing their state (Queensland) at the upcoming National U16 Championships to be held in Wollongong. We wish the players all the best at the Championships. Good luck Reuben Kahl, Brooke Saddler and Ella Schultz.

Good luck also to Brodie Palmer, Chloe Jones, Emily Harvey and Chloe Saddler who are representing Tweed Border in the girls U18 Queensland State Titles in Townsville this weekend. Jake Murriane is also representing Tweed Border in the boys U18 Queensland State Titles which will be held here in Murwillumbah from the 3rd to 5th April.

BILL TURNER CUP
On Tuesday 29th March the first round of the Bill Turner Trophy was played on Jim Devine Soccer pitch. This is a statewide soccer knockout played by boys 15 years and younger. Mt St Patrick drew Kingscliff High School in the first round. After a rained-out scheduled match prior to Easter, the boys were ready and raring to go. It was a hot and humid morning but with only 30 minute halves the tempo was high paced from the start. With a few new faces in the team from last year it took some time for combinations to gel but once they did the scoring started. A first half hat trick from Harris McLean and some hard work in the mid field by Jyah Santos and Reece Walton were highlights. At half time the score was 6 – 0 to MSPC. Continuing to gel combinations and try new ones was the second half goal and some fierce attacking by Sam Anderson saw him join the scorer’s sheet. The game finished 11 – 0 to MSPC who displayed some wonderfully skilful patches within the game. We now move onto the second round to be played very soon.

Josh McCormack – Coach

OPEN RUGBY LEAGUE
On Tuesday 8th March, 14 boys travelled to South Tweed to participate in the Arrive Alive Cup. The boys played two matches on the day and were narrowly defeated by Kingscliff High and St Joseph’s Banora, respectively. It was a remarkable effort to remain competitive in both matches as they were forced to play a large part of the second match with a reduced number of players due to injury. Daryl Brooks and Blake Gillard worked tirelessly all day for the team in the forwards, whilst Jacob McRae made himself known to the opposition with bone-jarring defence.

Mr Anderson and Mr Forrester

TERM 2 OVERVIEW
Brace yourself parents, Term 2 is the busy time of year on the sporting calendar. Below is an overview of some of the important dates:

Years 7 – 9 students will be involved in the Inter-House Competition where, on a weekly basis, students in their house colour teams will compete against each other in Soccer, Volleyball, Touch Football or Basketball. Points will be collated and added to the Champion House Trophy Competition.

**YEAR 10 & 11 TERM 2 SPORTS SELECTIONS**

One final reminder to all parents and students in Years 10 and 11. These students are to complete their Term 2 sports selection by Sunday night 3rd April. The survey tool is open until Sunday night at 11pm and can be accessed via the College Moodle page. Please be aware of the financial commitments to these sports when choosing your three preferences. Information about the sports are given in the survey tool. Please take the time to read them or the previous two newsletters which have contained information regarding cost, etc.

**AUTISM AWARENESS MONTH 2016**

April is referred to as Autism Awareness Month. April 2nd is World Autism Day. At MSPC we have 12 students formally diagnosed as having Autism Spectrum Disorder and there are other students who could meet diagnostic criteria. Each of these students is fully included in the education offered, and the life of the College. They contribute to our diversity and to our understanding. Each student is unique in their academic and social abilities and in the way they contribute to the College. We are proud that amongst our graduates who are attending university there are a number who have Autism Spectrum Disorder.

The United Nations 2016 theme is “Autism and the 2030 Agenda: Inclusion and Neurodiversity”. The Secretary- General Ban ki-moon has written:

“While persons with autism naturally have a wide range of abilities and different areas of interest, they all share the capacity for making our world a better place. The United Nations is proud to champion the autism awareness movement. The rights, perspectives and well-being of people with autism, and all persons with disabilities, are integral to the 2030 Agenda and its commitment to leave no-one behind.

The transition to adulthood is especially sensitive. As a strong advocate of mobilizing the world’s youth to contribute to our collective future, I call for societies to invest more funds in enabling young persons with autism to be part of their generation’s historic push for progress.

This year marks the 10th anniversary of the United Nations Convention on the Rights of Persons with Disabilities. On this World Autism Awareness Day, I call for advancing the rights of individuals with autism and ensuring their full participation and inclusion as valued members of our diverse human family who can contribute to a future of dignity and opportunity for all”.

Students who have autism see the world from a different angle. They ask to be treated with patience and kindness and for us to embrace differences.

**VINNIES**

On Sunday 20th March senior members of the MSPC Vinnies Conference were leaders at a ‘Vinnies Buddy Day’ which involves a group of leaders spending a fun day with children, who don’t usually get the opportunity, doing different activities. On Sunday, five leaders from Year 12 and over 25 children aged 5 – 12 went to Flip Out at Tweed Heads, and we literally FLIPPED OUT! We then went to a park and played on the playground with the children and led arts and crafts activities. Dean Kabbout, the origami master, made many variations of paper animals, flowers, cranes and a hat. Overall the experience of being a leader at a Vinnies Buddy Day is challenging but rewarding. We especially encourage those in Year 10 and 11 to attend Vinnies Meetings, get involved, and undergo Buddies Training to then be a leader at these fun Buddies Days. You won’t regret it!

Melissa Bordin, Youth Co-ordinator, St Vincent de Paul Society, Lismore would like to thank our Buddy Leaders: Hamish Patterson, Daan Brils, Jack Everall, Dean Kabbout and Billi Lansky for generously volunteering to attend the Vinnies Buddy Day. Melissa said that these students were fantastic on the day and she is very proud to have worked with them. Without their commitment to serving others, Vinnies Buddy Days would not take place and many children would miss out on the valuable experiences that Vinnies are able to offer them.
REQUEST FOR HELP FROM THE COLLEGE PARENTS & FRIENDS ASSOCIATION

Parents & Friends, Staff & Students
Do you have a current RSA Competency Card?
If the answer is yes, we need your help please.
We are looking for volunteers to assist at licensed evening functions on Friday 6 May and Saturday 7 May 2016. The P & F have been offered the task of running the bars at the Rotary District 9640 Conference which will be held in Murwillumbah from 6-8 May. These are the first fundraising events of the year for the P&F and your help would be most appreciated. Funds raised during 2016 will be used to assist the College with ongoing air conditioning of classrooms. Please contact Mary-Ann Thackray on 0413 277 700 if you are able to help out at either of these functions. Everyone that helps assists with AIR CONDITIONING our College!

Date saver: the Debutante Ball will be held on Friday 3 June - volunteers needed. Contact Barbara Grant in the College Library for more details on how you can help at the Deb Ball.
