

Dear Parents and Carers,

2020 was a year of firsts for me personally. My first year as Mt St Patrick Principal has seen the College confront a variety of challenges; smoke from the bushfires, flooding and then, of course, the covid-19 pandemic. I have been overwhelmed at the strength and richness of the Mt St Patrick College community. The staff welcomed me to the College and quickly demonstrated the care and dedication to the students. Teaching is a constantly evolving profession that puts pressure on staff to shift with new practices and methods. At Mt St Patrick College, the staff embrace change that benefits the students and challenge it if it doesn't. The manner in which they attacked the blended/remote learning was evidence of this. Their passion and talent is inspiring. It is demonstrated in the fine young people that make up the students of Mt St Patrick College.

I thank the students for their ability to meet the challenges and changes with good grace and resilience. It is a wonderfully warm and welcoming community because of you and the way we treat each other. For 2020 the students came up with See the good, Be the good. It is a great theme to tap into our College values. It also encourages us to be positive in our outlook, identifying the good in our lives and acting with generosity for those in need. In 2020 with the world in turmoil, it was very grounding and practical. The students of the College are welcoming and friendly, they met the challenges of the year with good grace and kept their expectations high throughout. We will continue to build the College as a place where they belong and are cared for.

The following staff will not be at the College for 2021, we thank them for their service and wish them all the best in the future endeavours: Pearl Lacey, Michelle Boyle, Cindy Clarke, Cassidy Baker, Jimmy Keogh, Mackenzie Togo, Mitchell Anderson, Naomi Bruggly, Mathew Lynch, Robyn Fitzpatrick, Brett Mulluoch, Sidney Ewing and Isaac Wareham.

- Catherine Ord is a former Mt St Pat's student who taught for 33 years at the College, providing excellent leadership in the TAS & VET departments for many years.
- Adele Williams has been a teacher's aide at the College for 21 years assisting students with great devotion.

Both Cath and Adele have provided outstanding service to the College community for many years and we wish them well in a much-deserved retirement.

Ella Kent was presented with her Kieran Thomas Medal today. Students receive this Medal if they have received an Exemplary Student Award for every year they have been enrolled in the College. Ella achieved this feat but somehow her name 'slipped off' the list of students presented with this award at the Year 12 Formal. So a special ceremony today. Congratulations Ella!

The education of our students is underpinned by the excellent support staff at the College and I thank them for the care they give to our students. The College administration team are the welcoming face of the College and their tireless work is much appreciated.

The Sacred Heart Parish, led by Father Anthony, continue to provide guidance and direction for the three Murwillumbah Catholic schools. This tight bond is crucial to the Catholic culture of the College.

A final thank you to all the parents and carers of our students for your continued support. Your trust in us is something I hold dear and we will always aim to give our students the best education possible in a caring environment.

I hope you go for the holidays not thinking what you are getting for Christmas but what you can give. And don't measure that in dollars but in the positive effect it has on others, measure it by the love. I wish you a happy and holy Christmas and well deserved holiday.

Be the Good and God Bless.

GREY TROUSERS FOR BOYS IN 2021 (Girls already have access to navy uniform trousers)

In 2020 an increasing number of boys wanted to wear grey long trousers. Our uniform supplier, 'Work 'n' Country', in Main Street Murwillumbah have stocked single pairs of trousers in a range of sizes. They are the same colour, material and 'Yakka' brand as the boys' dress uniform shorts.

Boys who wish to have trousers for 2021 are asked to try on the available sizes at Work' n' Country. They will then order the required number of trousers, in the correct sizes, so that they will be available in our Winter (June – the end of Term 2). This could be a great Christmas present for that 'hard to buy for' young man!

FREE DENTAL HEALTH CARE CHECKS

This service was offered to all College students earlier in the year and we were scheduled to have a visit on Monday 2nd November, 2020. We forwarded all the acceptances by the due date and have not been able to get a response from the organisers since then. I can only surmise that the visit will be re-scheduled in 2021!

BOOK REQUIREMENTS FOR 2021

Year 7 requirements are contained in book packs which can be ordered online.

Year 11 and 12 students usually use folders divided into subjects or individual A4 ruled binder books for each subject which can be organised in folders. Senior students might want to wait until the new year to get their teacher's recommendation for particular subjects. A list of Year 8 – 10 book requirements is included in this Newsletter.

2021 College Diaries will be given to all students on their first day of attendance. The cost of this important item, for student organisation and communication between home and school, is included in School Fees.

RETURN DATES FOR STUDENTS IN 2021

In 2021 all Year 7, 11 and 12 students begin on Friday 29th January. All of these students are to be in their full dress uniform. There will be a **morning orientation for new students coming into Years 8, 9 and 10.** These students can wear their sport uniform.

On Monday 1st February, 2021 all Year 8, 9 and 10 students will join the Year 7, 11 and 12 students for their first day of attendance. All students in the College are to be in their full dress uniform. There will be a special opening College Assembly at 9.30am in the Gilbey Hall.

The College Office will be open on Wednesday 27th and Thursday 28th January.

CHRISTMAS GREETINGS

Best wishes to all College students, staff and families for a peaceful and stress-free Christmas with loved ones and a happy, healthy and fulfilling 2021. I hope everyone is able to enjoy a refreshing break after a 'strange' 2020.

MINISTRY

Youth Ministry Officers

Cassidy Baker and Cooper Leslight have been the YMOs for our College this year and despite the restrictions of COVID 19, through their involvement in a wide variety of activities, they became very valuable members of both the Staff and Student communities. Cassidy's and Cooper's primary role has been to journey with students as they explore and deepen their faith, their understanding of God and their relationship with Jesus. They have been actively involved in both the Year 9 and 10 Youth Ministry classes and have accompanied these students when they facilitated Primary Retreat and Sacramental Programs. They were also very active in Years 7 and 8 PBL classes. Other involvements have been the Senior Youth Ministry Team, the Lunchtime Alpha discussion groups, a Year 8 'Catch the Wave' Rally, the recent Wildfire experience, excursions and generally being available for students to discuss matters relating to their faith and spirituality. On behalf of the whole College Community, including Father Anthony, I would like to thank and congratulate the wonderful witness and work that they have done. Cassidy and Cooper, you will never know the impact of what you have done in 2020 and may you be rewarded with God's many blessings. Good luck Cassidy as you continue your own journey in life and faith, and we look forward to working with Cooper in his second year as a YMO at the College

YEAR 10-12 RETREATS 2021

The 2021 Year 12 Retreat will take place on **Wednesday 17th to Friday 19th February (Week 4, Term 1)** and the Year 10 Retreat in two groups from **Monday 8th to Friday 12th March (Week 7, Term 1)** at Camp Bornhoffen. The large number of Year 10 students has meant the division into two smaller groups to ensure an effective retreat experience. This is an important opportunity for students to reflect upon their lives in a very busy year, especially

their relationships with family, friends and God. A letter regarding details (eg **cost \$210.00**) and more specific information will be given in the first week of next year.

The **early notification** of the retreats is to enable families to **plan and budget** for these important occasions (they are part of School Fees), as the early part of the new College year is always expensive. As the retreats are seen as integral to the philosophy and ethos of the College, the retreat is **compulsory** and all students need to make sure that work or other commitments do not prevent them from attending. It is also an essential part of their holistic development. Parents are asked to ring the College if further clarification is needed.

WE ARE HERE TO HELP

If you need assistance leading up to Christmas we will provide you with additional IGA vouchers to enable you to purchase food and Christmas treats for you and your family. In the weeks leading up to Christmas, if you need additional help please telephone our Centre on 0409 777674 between the hours of 10am to 12 noon on a Monday or Wednesday and we will arrange for the help required.

As we move towards the celebration of Christmas may we be watchful in faith, hope filled for our world and those we service, offering the cup of love to all in need.

MEALS ON WHEELS 2021 : PARENT DRIVERS NEEDED!

Year 9 students received a letter last week about this very worthwhile endeavour..... delivering meals to those in our community who are unable to look after themselves.

Parents, especially Year 9 parents 2020, are invited to become a part of this by volunteering to drive for **1 1/2 hours (11.00am till 12.30pm) one day every 10 weeks** (depending on the number of volunteers). Students would also be involved once every 10 or 15 weeks. This is a simple yet effective way of giving visible witness to the message of Jesus: "Whenever you did this for one of the least important of these brothers of mine, you did it for me" (Matt 25:40-41).

If you are able to help, please fill in the form and return to the College or ring the College and leave your name, 'phone number and preferred day(s).

FISHING

Congratulations to Bailey Buchanan who is the inaugural winner of the MSPC Term 4 "The Mullet" Fishing Trophy. Bailey hooked four bream in one sitting, albeit they were only small. The Runner Up was Riley Griffin who is a very dedicated fisherman and caught three bream, which were within the bagging size limits. The boys received a certificate and a bag of chocolates for their efforts. Bailey's name is now engraved on the trophy being the very first winner of the annual sporting event. I am sure all the fishermen will be back next year to claim the 2021 prize.

COLLEGE SWIMMING CARNIVAL

Our College Swimming Carnival is scheduled for the second Friday of Term 1, 5th February. Covid restrictions will make it a carnival like no other. Parents, I am sorry but I am going to have to ask you all to stay home. No spectators are allowed at school sporting events. This will also affect the generous efforts of our Parents and Friends who, each year run a refreshment stand. The starting Block Café have just sent out pre-order lunch forms which will need to be returned to me at school by Wednesday 3rd February if students want to purchase lunch from the Café during the

day. They have a \$5 and \$10 lunch pack available. Information regarding the order forms will be emailed to parents. Students will also have to observe a strict social distancing policy whilst collecting their orders and remember to stand 1.5m away from others at this time.

WIN A NEW PHONE TO THE VALUE OF \$1200

Now that I have your attention, Mrs Jodie Hewitt, Council's recreational planner contacted me through this week and wants to hear from the youth of Murwillumbah and especially students here at Mt St Patrick. Councils wants to hear what the kids of this town want. What recreational facilities are lacking in town. This is your chance. Read the blurb below, click on the link, complete a short survey before 22nd December and you will go into the draw to win a new phone of your choice to the value of \$1200. Some thoughts for consideration:

- Indoor facility for Basketball (minimum 2 courts) Volleyball, Futsal
- Athletics facilities like a long jump pit at Les Cave Oval
- The rail trail completed for bike riders
- Mtb bike tracks developed etc

Council wants to hear from young people, about what YOUth want!

Tweed Shire Council is developing a Youth Outdoor Recreation Action Plan to improve its sport and outdoor recreation facilities, events and activities for young people aged 12 to 24 who live in the Tweed.

Complete the survey now! Tell Council what YOUth want.

To take the survey here yoursaytweed.com.au/youth-voice

When you complete the online survey you can also go in a draw to win a new smartphone of your choice, valued up to \$1200. Terms and conditions apply.

Co-design workshops

You can also be involved in designing these new public spaces, sport and outdoor recreation facilities and events. Register your interest when you complete the online survey. Registrations for the four co-design workshops are also open to the broader community.

The survey closes **on Friday 22 January 2021.**

YR 9 & 10 PASS EXCURSIONS

The College's Physical Activity and Sport Studies classes were involved in what was the College's 5th and 6th excursion for this crazy year.

Below is an article written by two Year 9 students who were part of the Monday 7th December group. Enjoy some pictures of both classes as well.

The Year 9 PASS excursion may have been a chilling and wet experience, but it was highlighted by the positive attitude and never-ending enthusiasm of its students. Monday 7th December with a precipitation forecast of 60%, the weather didn't at all sound inviting. However, with the draining, but enjoyable physical activities that each of the three groups participated in, the day became in one word, perfect!

The day began with us being split into three groups. Each group took turns participating in the three main activities - fat wheeled biking from Hastings Point to Norries Headland; surfing the chilling water, and kayaking down the sting-ray filled river. Our group first took on biking. This consisted of riding from the river entrance at Hastings to the headland at Cabarita. The biking was extremely tiresome, but made pleasant by a beautiful view once we reached our destination at Cabarita Headland. For the beautiful view and dolphins that we saw, the 10km ride was worth it.

Next, our group went surfing. Although Cabarita may be famous for its awesome waves, Hastings Point put up a valiant fight on Monday. No matter how proficient we may be at surfing, everyone had the opportunity to hop on a wave and ride it all the way into shore. Even when there were some majestic stacks off the waves, everyone had good spirit to detangle from the seaweed, laugh, and have another go.

Finally, the last activity found us kayaking, paddling around the creek with waters filled with marine life, such as crabs and stingrays. Located behind the local estate of Koala Beach, our guide explored the history of the area, and how it had come to be today. The challenge of finding stingrays through the twisted mangroves was highly enjoyable, as well as engaging in a war of splashing our teammates thoroughly.

Finally, the Year 9 PASS excursion left its members sticky from salt water, uncomfortable from sand, and tired out from the activities, but with a terrific smile and a wonderful memory. Overall, the day provided a memorable

experience that brought everyone a little closer together. Let's not forget the biggest carrot cake we have ever seen. That was a real treat for morning tea, lunch and afternoon tea and again the next day.

SK8ING

Mt St Patrick students had the opportunity to attend the High Performance Centre for Surfing Australia at Casurina and participate in skating and trampolining. Weekly tutorials run by qualified surf coaches who have trained world champion surfers were held weekly. Students took full opportunity to put the skills delivered into practice. Yes there was the odd fall and failure but all who attended improved weekly. I am sure this will be a popular addition to our Term 3 and 4 options next year.

MATHS

MATHSPACE TRANSFORMATIVE 20 WINNER!

Congratulations to Anja Griffin who has been recognised as one of the 20 student winners of the Mathspace Transformative 20 awards for 2020. Ysabella Purser was also named a shortlisted student in the awards program, making it to the Top 40 from more than 200,000 students nationally.

"The Transformative 20 awards program has always been about giving recognition to those who go above and beyond what's expected of them, those who've truly made a positive impact on others - whether it's through their innovative ideas, their work ethics or their willingness to help those in need," said Mohamad Jebara, CEO and Co-Founder of Mathspace.

This is fantastic recognition for the hard work these students demonstrate in their study of Mathematics.

3 freezer hacks for the holiday season

Sign up to the FREE Food Smart program and win!

Did you know that about \$10 billion worth of good food is thrown away every year by NSW households? That's an average of \$3,800 a year per household! With the festive season fast approaching, it's a good time to think about how to store your food right to avoid wasting food.

Here are 3 freezer hacks to help your food last longer this summer:

- If you have leftover BBQ's or roasts, freeze them to use for a meal another time. Just defrost in the fridge for 1-2 days before you want to use it.
- Chop up leftover herbs and put them in ice cube trays topped up with water. You can add herb ice cubes to meals while cooking for a hit of flavour, or pop them in a refreshing summer drink!
- Store bread in the freezer. Sure, we all know this one, but remembering to do it is another thing! In this hot and humid weather, bread doesn't last long, so get it in the freezer before you forget.

And if you do have any food waste or scraps that can't be eaten, remember to put it in the food and organics bin (that's the one with the green lid). It will be turned into compost to help our local farmers supply food for our region.

For more ideas on how to save money and avoid food waste, sign up to the FREE Food Smart program. For 2 weeks, you'll get handy emails with food storage tips, recipes, hints, meal plan ideas and smart shopping solutions. If you sign up and finish the program by 31 January, you'll also go in the draw to win a freezer worth around \$750!

Sign up online to the FREE Food Smart Program at <http://www.newaste.org.au/foodsmart/>.

The FREE Food Smart Program is open to households in the Ballina, Byron, Clarence Valley, Kyogle, Lismore, Richmond Valley and Tweed local government areas.

Food Smart is a Love Food Hate Waste Program coordinated by North East Waste on behalf of its member north coast Councils and the NSW Waste Less Recycle More initiative funded by the waste levy.

LANGUAGE

Thank you to all our enthusiastic Language students this year! We have had a great year. To finish the year with a cultural experience we decided to do some cooking. 8B and 8M even managed to do this successfully without a kitchen. The French students created Pain Perdu (lost bread) and the Japanese students created Sushi. Wishing everyone a very Merry Christmas from the Languages Department, Ms Ellison, Mrs Hoy and Mrs Baldini

YOUTH

What do **YOUth** want?

Tweed Shire Council is developing a Youth Outdoor Recreation Action Plan to improve its sport and outdoor recreation facilities, events and activities for young people aged 12 to 24 who live in the Tweed. Council wants to hear from young people, about what **YOUth** want!

Complete the survey now!

Tell Council what **YOUth** want. When you complete the online survey you can also go in a draw to win a new smartphone of your choice, valued up to \$1200.*

Co-design workshops

You can also be involved in designing these new public spaces, sport and outdoor recreation facilities and events. Register your interest when you complete the online survey. Registrations for the four co-design workshops are also open to the broader community.

To take the survey and for more information visit yoursaytweed.com.au/youth-voice
